MARION COLLEGE  
MARION VA.

# ALMA MATER

Now fixed on thee our hopes repose  
O Marion, dear Marion.  
May every year new good disclose,  
O Marion, dear Marion.  
Through all the garish lights that gleam  
To lure us from the paths of truth,  
Thy greatness shineth like a beam  
Of one fair star, O Marion.

O may a grander music wake  
Within thy walls, O Marion,  
And all thy joyful echoes wake  
O Marion, dear Marion.  
While every faithful daughter calls,  
"Grow greater with each passing year,  
Enlarge thy bounds, enrich thy walls,"  
Dear Marion, our Marion.

So may thy noble beauty grow,  
O Marion, dear Marion,  
More stately as the seasons go,  
O Marion, dear Marion.  
We know thou'lt rest unshaken still  
Though many storms around thee blow;  
Firm-based thy mission to fulfill  
We honor thee, dear Marion.

MISS EDITH HOOVER

## DEDICATION

TO ONE WE ALL RECOGNIZE AS AN IDEAL TEACHER, COUNSELOR, AND FRIEND; TO ONE WHO HAS SUPPORTED OUR SCHOOL FOR MANY YEARS, WE, THE HATCHET STAFF, WISH TO DEDICATE OUR '51 EDITION OF THE HATCHET.

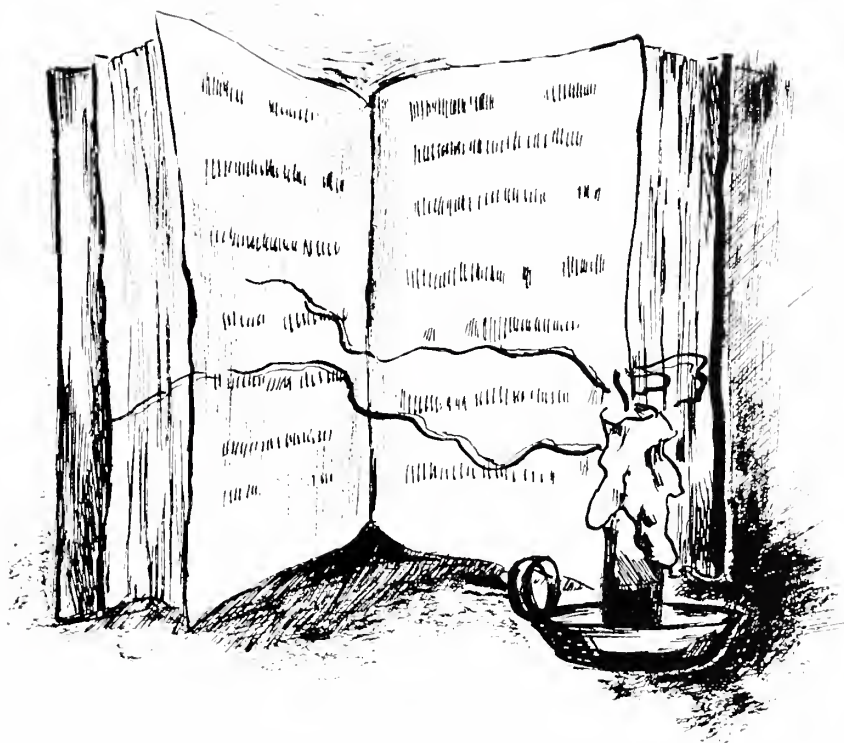

WE ADMIRE MISS EDITH HOOVER FOR HER FRANK AND SINCERE WAY OF SPEAKING, HER WILLINGNESS TO SEE OUR SIDE OF PROBLEMS, AND HER FAITHFULNESS TO OUR ALMA MATER.

DEAR MARION, OUR MARION

The experiences of this session at Marion College will linger long in our memories: not that they have been primarily different from those of other years, but that they have been for us. As you tune in on your memory and dial 1950-51 at Marion may you get recollections of enriching experiences which shall increase the joy of living.

Friendliness means many things. It is sympathy and understanding, forgiveness and tolerance, sharing and love. You who have lived here have endowed Marion College with this priceless gift. The spirit of Marion is many things; but above all else it is friendliness.

## THE SENIOR CLASS

Although small in number, the Class of '51 has maintained the traditions of Marion College by actively participating in all phases of college life—Y. W. C. A., Athletic Association, Choir, Phi Theta Kappa.

We are grateful to Miss Rachel McCormick, our adviser, for her willingness to aid us at all times.

Our days at Marion will return to us many years from now, and we shall smile at the memories of our life on senior hall, our eagerly awaiting the mail, the friendly rivalry at the Purple and Gold Contests, and our religious life at Marion College so well exemplified in Candlelight Meditations. We are proud to have been a part of you, "Dear Marion."

# THE MARION IDEAL

*. . . is to care for what is rather than for what seems; to be loyal to what is best in the traditions of the past and yet open to the discoveries of the present and the hopes of the future; to find freedom in knowledge of the truth, beauty in the common sphere of daily living; joy in love and friendship, and strength in constructive service; to play happily and work honestly; to believe in God and God's children, and to serve where service is most needed.*

## THE JUNIOR CLASS

With inexperience, but a will, we tried our best to make our class one of which Marion College could be proud. We had a picnic at Hungry Mother Park and a number of Square Dances. We sponsored the first formal dance of the year, the "Harvest Moon Dance."

Under the sponsorship of Miss Sophie Fischer, we have had many rollicking times with a fellowship that can only be found at Marion. Everyone of us will cherish the fondest memories of our Junior year at Marion College.

## HIGH SCHOOL SENIOR CLASS

High School Hall has long forgotten what quietness is, for it has become a rarity indeed. "Coxy" our Student Council "guiding light," was given a hard time when we gathered in room 1 for Saturday night gab sessions and feasts.

The "Yankees" made a good showing, but they were out-numbered four to three; however, the "Rebels" relented and only fought the "Civil War" twice a week.

While decorating for the informal Spring Dance, we placed guards at the windows and doors to keep out "peeping toms." The suspense was worth while for everyone was pleased with the originality of the decorations.

For their helpfulness we are grateful to our faculty advisers, Miss Anderson and Miss Logar.

## HIGH SCHOOL JUNIOR CLASS

Food! Food! Mary Anne has just received another package from home and room 6 is "loaded again." Here comes the "stampede"! This room is not the only one loaded for room 3 is equipped with a "rogues' gallery." Clara has everyone catalogued in alphabetical order. "Sweet Sue" broke through the heart at the Valentine Dance as Queen, and found another heart, too. The Class was disappointed when Erika John, our Class Treasurer, did not return for the second semester.

This has been a wonderful year and all of us are making Marion our "home" for another year.

One of the most highly respected organizations of Marion College is the Student Council. The purpose of the Student Council is to maintain honest and just government, upheld by the cooperation of the student body.

The present officers were elected by the students at the close of the 1949-1950 session.

We, the student body, appreciate the Student Council's consideration and wise decisions.

# HONOR COURT

The purpose of the Honor Court is to maintain the student honor system and deal with special cases referred to it by the Student Council.

One of the most outstanding honors on the campus is election to the Honor Court. The members this year were Jean Tussing, Mertie Lee Sigman and Betty Jean Stockwell.

The *Squib* Staff, composed of a group of hard-working embryo journalists, is under the guidance of Miss Elizabeth Eyster. This quarterly paper shares the current life of Marion College with the alumnae, and offers a challenge to our aspiring writers. The students compete by submission of articles for a place on the staff, and are required to hand in regular articles on a subject of their own choosing in addition to special assignments. In so doing they obtain valuable practice in journalism and helpful criticism by the editorial staff.

Each staff member has a chance to help in the paper's make-up—writing headlines, proof-reading, and making "dummys," which is their initial step into the press world. There is a chance for expression in every writing field—short stories, non-fiction, poetry, etc. Some members are "specialists" while others are versatile and jacks-of-all-assignments.

In 1950-51 the *Squib* was a true gauge of the continued influx of literary talent into Marion College and a valuable record of its growth as a Junior College.

## Y. W. C. A.

Through the various activities of the Young Women's Christian Association, an atmosphere of close fellowship is maintained in the Marion College life. From the beginning, the Big-Little Sister program plus the Kid Party created a friendliness among the girls. Dances, parties, and birthday banquets helped to develop culture and social grace. Weekly meetings were held in the parlors, with speakers

as guests and personal, social, and religious topics used for discussions.

Religion is considered a vital part of the Y. W. program. Candlelight meditations and special religious services kept us conscious of a spiritual fellowship.

With the guidance of Mrs. Edith Munper, as adviser, the Y. W. C. A. kept the Marion Ideal foremost in the life at Marion College.

Without the Choir, our life here at Marion College would be incomplete. The Choir not only plays an important part in college life, adding much to our religious services at the college, but also represents the college in community programs.

During the year the group sang at the Lutheran Church Reformation Service, in the Community and the Y. W. C. A. Christmas

programs, at the Marion High School, and at the 78th Commencement services of the college. In April the Choir made its annual spring tour, singing in various cities and towns across the Commonwealth of Virginia.

Expending their time and effort to make our choir a unit, Mr. Neff and Miss Higgs have our sincere gratitude and admiration.

Representatives from the college L. S. A. attended the Virginia Area meeting at Roanoke

College. Roanoke graciously repaid our visit by presiding over an L. S. A. meeting at Miss May's after the usual delicious buffet supper of sandwiches and hot cocoa.

Advisors to the Lutheran Student Association this year were Miss May Scherer and Dr. J. Luther Manney.

The Baptist Student Union, although organized at Marion College before this year, became one of the major organizations in 1950-51. The Marion College B. S. U. is a branch of other accredited Baptist Student Unions in colleges throughout the nation. It is dedicated to the promotion of Christian ideals and fellowship, and has performed many

services to the college, such as the raising of funds for book gifts to the library.

Local pastors and other speakers are invited to take charge of the meetings, which are held twice a month. For Baptist students this guidance and fellowship with other young Baptists is valuable, and a major part of their college life.

The meetings were held on the second Tuesday of every month, and this year we had a number of speakers both from town and

the college, timely discussions, and informative motion pictures. An international party was held in March with the members dress representing other nations. The purpose of the Club is to aid in the well-rounded education of the Marion College girls.

Phi Theta Kappa is the national junior college scholastic fraternity, and its purpose is "to promote scholarship, to develop character, and to cultivate fellowship among the students of both sexes of the junior colleges of the United States of America." To be a member of the Delta Beta Chapter of Phi Theta Kappa is the greatest scholastic honor a student can attain at Marion College.

During the year, members of Phi Theta Kappa presided over the library on Sunday afternoons, and a Chapel Program was pre-

sented in which the members of Phi Theta Kappa performed a clever skit explaining the fraternity to the student body.

One of the members, Betty Jean Stockwell, attended the annual Phi Theta Kappa convention at Independence, Kansas, returning to report on the exciting events and items discussed at the convention.

In November, Peggy Goodman was made a member, and in February, Lupito Rubio, Barbara Grossman, Sally Furman, Gail Cravener and Doris Beahm were admitted.

The Home Economics Club meets the second Tuesday of each month and its aim is to promote an interest in the improvement of home and personal life. This aim was realized by the full cooperation of the members and the able assistance of Mrs. Hunter, the sponsor.

Movies, discussions, and speakers constituted a program of meetings both educational and enjoyable.

The girls sold doughnuts and cocoa as a Sunday breakfast for the late sleepers. This was only one of their many activities.

Under the direction of Miss Sophie Fischel, the Athletic Association planned many enjoyable extracurricular activities. We held a play day on March 10 and visited the play

days at Emory and Henry and Roanoke. At the end of the year the Club gave the "color eup" to the winning team of the purple and gold contests.

Under the sponsorship of Miss Fischel the Varsity Club, newly organized this year, added many activities to the athletic agenda. The girls who secured letters by managing or being a member of a team were initiated into the club by undergoing a period of "ratting," during which they wore ill-matched socks, pig-

tails, and carried hockey sticks over their shoulders. In the spring the Varsity Club members displayed its dramatic and musical ability in a minstrel show.

The Varsity Club sold sandwiches and cocoa during the year to help pay for new athletic equipment.

## CHEERLEADERS

This year the peppy squad of cheerleaders headed by Charlotte Breeden and Tyler Shawver added tremendously to the spirit of all sports events. The purple and gold shirts

twirled at both varsity and intramural games spurring the teams to victory. The cheerleaders upheld the dignity and honor of Marion College as well as the team at all events.

# HOCKEY

Hockey found a popular place in the enthusiasms of the Marion College girls. Playing two games with Roanoke College and one with Virginia Intermont the varsity hockey squad

displayed fine sportsmanship. The purple and gold games were attended with equal enthusiasm as the teams battled for the "color cup."
